OPEN EVENING
"Colours of a Rainbow"

On Thursday, **10th April** we welcome Jo Purdy to our Club. Jo has been to our club before and we are delighted to welcome her again. I am sure we are in for an amusing, informative and colourful evening. Jo is a member of Scarborough Flower Club and lives and runs her business from a studio in the beautiful North Yorkshire village of Wykeham.

Reminder: At our April demonstration we will have a plant stall. It would help Club funds if you could donate a plant for the stall. Please bring cash you may see something on the stall that takes your fancy.

We do not have a demonstration evening in May as the Village Hall is being used for the VE Day celebrations. To compensate for this we will have a demonstration evening in August.

Sara is new to our Club and is demonstrating for our **Open Evening.** Sara is a multi award winning floral designer with 2 RHS gold medals and numerous other awards for creativity and innovation. Sara particularly loves creating art with flowers - fresh or faux. Sara owns a flower shop near Preston and grows a lot of flowers herself and is a member of the Flowers from the Farm network.

THIS IS AN OPEN EVENING. PLEASE ENCOURAGE YOUR FRIENDS TO COME. TICKETS ARE £10 AVAILABLE ON THE DOOR.
