North Ferriby and District Floral Art Club

Sort Code 40-25-20

Account Number 81163833

DO NOT FORGET TO ADD YOUR NAME TO THE REFERENCE

Kay Ford is a new demonstrator to our club. Her demonstration is entitled "A Brush with Colour". Kay joins the North East Area Demonstrators team, having successfully passed her demonstrators training in 2023. After a short break from nursing, Kay trained as a florist, running a successful business in York, servicing royalty and celebrities. Kay retired after 45 years of nursing returning to her passion for flowers. Kay runs flower arranging workshops and classes and loves art, gardening and crafting. It will be good to see someone new to our club.

At our April Meeting we are introducing our members' plant stall again

In April we will be starting our plant stall again so look in your garden for anything you can bring along. You may see something on the stall for yourself. All money collected will go to our funds.

I think you will all agree 2024 was a very successful year for our club the highlight being our 55 year celebratory evening. It was really encouraging to see so many of our members enter the table arrangement 'competition'. Be warned we have made a note of your names!!!

We had many tried and tested demonstrators during the year: Paula Routledge, David Ryland, Judy Watker, Derek Armstrong, and two new demonstrators to us: Lynne Sharpe and Debbie Davies. We plan a similar arrangement for 2025 such as Jo Purdy, Lee Berril and Ian Lloyd and introducing one or two other new names to us. Can you believe Fiona Appelbe is now working on 2026!!
