DATES FOR YOUR DIARY

Louise Jones from Wallasey
14th August
7 pm for 7.30 pm
demonstration
entitled
"Back to the Future"

Louise wrote the following on her Facebook Page:

"I have been a member of NAFAS for 32 years and have enjoyed watching demonstrations and attending workshops over many years. I belong to four flower clubs including a contemporary club. I have been demonstrating for 6 years and have very much enjoyed visiting clubs with my various demonstrations. Teaching was part of my previous jobs and I have also been privileged to visit clubs and run workshops and seen how participants have spent time in developing new skills and have been pleased with their designs."
