

North Ferriby Flower Club Newsletter March 2024

I mentioned Paula in our February Newsletter. Paula and her husband are artisan growers based in Caunton, near Newark. They belong to 'Flowers from the Farm' which is a National scheme of UK growers. During Covid some of us watched a zoom demonstration by Paula and we were all very impressed with her arrangements so we are looking forward to her demonstration at our Club. Paula has given her demonstration title 'Life's a Ball'! Please encourage your friends to come. Tickets are available on the door at £6.

In April we have a new demonstrator Debbie Davies from Formby who has given her demonstration title 'Floral Fashions'. We did say we want to give you something different!! Well, this lady sounds interesting!! I have been trying to find out more about Debbie and apparently she was a classical ballet dancer. When she could not continue with ballet she became a make up artist and worked on corporate events. During her time she has worked in a circus which included fire eating and dancing with fire hoops and orbs!! At these corporate events she noticed the wonderful flower arrangements and decided she would like to do that - as you do!! Debbie has visited many countries with her dancing and make up artistry which included Malaysia and Japan. She has also attended the World Show in Japan. This definitely looks as though it will be an entertaining evening. As always please encourage your friends to attend. Tickets are £6 on the door.
