"An Oasis in the City"

Firstly, I think you will all agree the Christmas Supper was a great success. We had 79 members attend and the atmosphere was full of fun and laughter. Everyone enjoyed the food, the Prosecco and the friendship.

Our Christmas Workshop was another success with 18 people attending, some never having created Christmas wreaths before. Below I have added photos of a few of the wreaths.

We also had a table at the North Ferriby Christmas Market where we sold wreaths and other Christmas arrangements which were made by Pauline and Lilian.

Our next event is a Christmas demonstration by National Demonstrator **Ian Lloyd.** I have looked up comments from other clubs about Ian and below are some of them:
"Stunning arrangements", "Entertaining stories", Inspirational techniques and choice of flowers - nothing short of spectacular". I am sure Ian will inspire everyone for Christmas.

This is an Open Meeting so please encourage your friends to come. I am sure they will enjoy it. Tickets are £10 for non members and available on the door.

The Village Hall committee recently drew our attention that we all need to be up to date with modern technology. We do have a Website and a Facebook Page. Fiona Appelbe's son very kindly helps us with the Website but we could do with some expert help with our Facebook Page. Is there anyone who could help us. It may be you have children or grandchildren who could help us or teach us.
